List of Festivals in Pennsylvania

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. This is a partial list of festivals and celebrations in Pennsylvania. A festival is an event, usually and ordinarily staged by a local community, which centers on and celebrates some unique aspect of that community and the festival. Among many religions, a feast is a set of celebrations in honour of God or gods. A feast and a festival are historically interchangeable. However, the term 'feast' has also entered common secular parlance as a synonym for any large or elaborate meal. When used as in the meaning of a festival, most often refers to a religious festival rather than a film or art festival. In the Christian liturgical calendar there are two principal feasts, properly known as the Feast of the Nativity of our Lord (Christmas) and the Feast of the Resurrection, (Easter).
